Watermark an Absolute beachfront venue

Watermark Bali is an absolute beachfront Event venue. Our Gala dinner package is perfect for groups up to 500 people. We are able to handle groups for evening or daytime events. Prices for daytime events are slightly lower than our evening events.

Situated on a picture perfect white sand beach in Tanjung Bena, Nusa Dua. We are the first of a kind, incomparable with any other beachfront venue in Bali.

The sophisticated tones of grey and white create a luxurious atmosphere and perfect for any Event. Enhanced by delicately manicured grass areas, charming large shady Fig trees and white flowering plants a permanent white sail stage and white sandstone dance floor all creating a stunning elegant and enchanting venue.
